

## **Mindspark**

"Debate is where you refine your arguments and frame your thoughts"

-Spark Up Your Ideas, Speak Your Heart Out.

A platform which gives people the opportunity to present their opinion and ameliorate their debating skills!!

Debate topic: Are Indian traditions compatible with modernization?

Event Description: There are two rounds in this event:

ROUND 1: In this round each participant has to speak for about 2-3 minutes and express his/her views by either speaking for or against the topic. After delivering the speeches, the participants would be questioned by the judges or the audience on the basis of their speaking content.

ROUND 2: Final Round

This round will be an open house, where the participants will be asked questions by the audience.

Aimed at improving the wit and confidence level of students this activity is a wholesome package for finding solutions to most common problems prevailing in society. Discussions and questions are the first step towards solving a problem, and we are here, offering you a platform to come up take your first step towards what can be a greater change.
